SCIENCE FACULTY

SUBJECTS OFFERED AND INTAKE CAPACITY

In science department two classes of B.Sc. are permitted by government and are affiliated to Gondwana University, Gadchiroli. First Section is granted and has intake capacity of 120 students whereas Second section is non aided and has intake capacity of 100 students. This total intake capacity is divided further as per following groups:-

SETION 1, GRANTED, Intake capacity: 120 Students

S.N.	Subject Group	Subjects	Intake Capacity
1	PCM	Physics, Chemistry, Mathematicss	30
2	PCC/S	Physics, Chemistry Computer Science	12
3	PMC/S	Physics, Mathematics Computer Science	10
4	MCZ	Microbiology, Chemistry, Zoology	45
5	MCE	Microbiology, Chemistry, Environmental Science	23

SETION 2, NON GRANTED, Intake capacity: 120 Students

S.N.	Subject Group	Subjects	Intake Capacity
1	PCM	Physics, Chemistry, Mathematics	20
2	PCC/S	Physics, Chemistry Computer Science	10
3	PMC/S	Physics, Mathematics Computer Science	15
4	MCZ	Microbiology, Chemistry, Zoology	20
5	MCE	Microbiology, Chemistry, Environmental Science	10
6	MCB/T	Microbiology, Chemistry, Biotechnology	25

Note:

- 1. B.Sc.is a three year degree programme and divided in six semester.**
- 2. Medium of instruction is English.**
- 3. Subjects offered in B.Sc.Sem I are continued till final year.**
- 4. At B.Sc.Sem I and Sem II two languages are compulsory subjects, out of which English is one compulsory subject and any one subject is to be selected from A.Supplimentary English,B.Hindi,C.Marathi.**
